What is SLS?

The **Student Learning Space (SLS)** is an **online platform** with tools and curriculum-aligned resources for all students to **learn at their own pace and collaboratively**.

With the SLS, students can take greater ownership of their learning and pick up skills and habits that **prepare them for lifelong learning**.

Teachers will also use the SLS to **complement classroom teaching and learning**.

Main Features of SLS

1. Announcements

- Instructions for Students

2. Assignments

- Lessons
- Homework

3. MOE Library

- Self-paced learning resources
