Dear Parents and Guardians,

**Re: End-of-Term Letter**

As the school year draws to a close, I wanted to take a moment to express my sincere gratitude for your unwavering support and partnership throughout the year. It has been a pleasure to work with you and your children, and I am so grateful for the opportunity to have been a part of their learning journey.

This year, we have covered a lot of ground and witnessed incredible growth in our Marsilians. We have seen Marsilians improve their reading confidence, with entire classes showing remarkable teamwork during class-based and school-based events. Your encouragement at home has been the foundation for their success, and your active involvement in their education has made a world of difference. Our school's strength comes from the powerful collaboration between our dedicated staff and our students' families. Thank you for all the ways you have contributed to our positive classroom community, whether it was through helping with homework, having conversations with your child about their school experiences, attending school events and parent-teacher meetings; or sending supportive notes. Your dedication has not gone unnoticed. It is this united effort that truly enriches our Marsilians' journey and supports their growth in meaningful ways.

To our Parents Support Group (PSG), thank you from the bottom of our hearts! Your active presence and support throughout the year have been the backbone of so many successful school activities. Our Marsilians truly felt your enthusiasm and commitment, and we could not be more grateful for everything you do. You are an invaluable part of our community!

As we look ahead to the year-end school holidays, I encourage you to spend quality time together and keep the learning fresh in fun ways, such as reading together daily or visiting our local museums and national libraries.

**(A) Highlights for Term 4**

The Arts Fiesta cum Children's Day celebrations in Term 4 were a much-anticipated highlight for all Marsilians. This year's theme, "Famous People...", invited students to embark on an inspiring journey through the lives of renowned figures such as Vincent van Gogh, J.K. Rowling, Lionel Messi, and Taylor Swift. Through their stories, students discovered how these icons persevered through challenges to achieve greatness. The event featured a rich array of engaging activities — from lively presentations to books and videos — that encouraged students to learn, imagine, and create together. It fostered camaraderie and self-expression in the Arts, inspiring students to showcase their creativity and talents with confidence. Beyond nurturing a love for the Arts, the celebrations also gave students meaningful opportunities to take pride in their achievements and develop a deeper sense of accomplishment.

To celebrate Deepavali, the Festival of Lights, all staff and students came together and took part in the various activities planned with much warmth and enthusiasm. The event provided Marsilians with meaningful opportunities to learn about the cultural and historical significance of this important festival. Through engaging activities such as stories, performances, and art

sessions, students gained a deeper understanding of the values that Deepavali represents — the triumph of light over darkness and good over evil. The celebration also fostered appreciation for cultural diversity and strengthened the spirit of unity within our school community.

## **(E) Safety During School Holidays**

Safety outside the school premises is of utmost concern during the school holidays and we would like to remind all our students to be vigilant in the following areas:

- Road safety; cross roads in a safe manner and to always use designated road crossings such as overhead bridges, underground passes and zebra-crossings, and never to be distracted with gadgets and online content
- Personal belongings; stay alert of what is happening around them and take care of their personal belongings
- Personal safety; avoid walking through dimly lit and secluded places or taking the lift with a stranger; and arrange for an adult family member or trusted friend to escort them home when returning alone late at night. Remind your child also not to accept items, gifts or packages from strangers and to inform you or a trusted adult immediately when approached by strangers.

It is important for our students be alert and take preventive actions so that they do not become victims of crime. Parents play a key role in shaping our children's behaviour in online space and managing their online exposure. We would like to share the following cyber wellness tips with you:
